White lips, pale face

Breathing in snowflakes

Burnt lungs, sour taste

Light's gone, day's end

Struggling to pay rent

Long nights, strange men

And they say

She's in the Class A Team

Stuck in her daydream

Been this way since 18

But lately her face seems

Slowly sinking, wasting

Crumbling like pastries

And they scream

The worst things in life come free to us

Cos we're just under the upperhand

And go mad for a couple of grams

And she don't wanna go outside tonight

And in a pipe she flies to the Motherland

Or sells love to another man

It's too cold outside

For angels to fly

Angels to fly

Ripped gloves, raincoat

Tried to swim and stay afloat

Dry house, wet clothes

Loose change, bank notes

Weary-eyed, dry throat

Call girl, no phone *Refrain*

An angel will die

Covered in white

Closed eye

And hoping for a better life

This time, we'll fade out tonight

Straight down the line

Refrain

Angels to fly

To fly, fly

Angels to fly, to fly, to fly

Angels to die
